

1st StarkNet CTF

 2022-11-01

Prizes

0x01 Place: 6000\$
0x02 Place: 4000\$
0x03 Place: 2000\$
0x04-0x08: 1000\$

Rules

- Solve the challenge and get the flag
- Submit the flag on <https://starknet-cc.ctfd.io/>
- Team with most points wins
- In case of tie: Team that solved first wins
- Points for each challenge are between 500 and 100. The more people solve it, the less points it is worth

Instructions

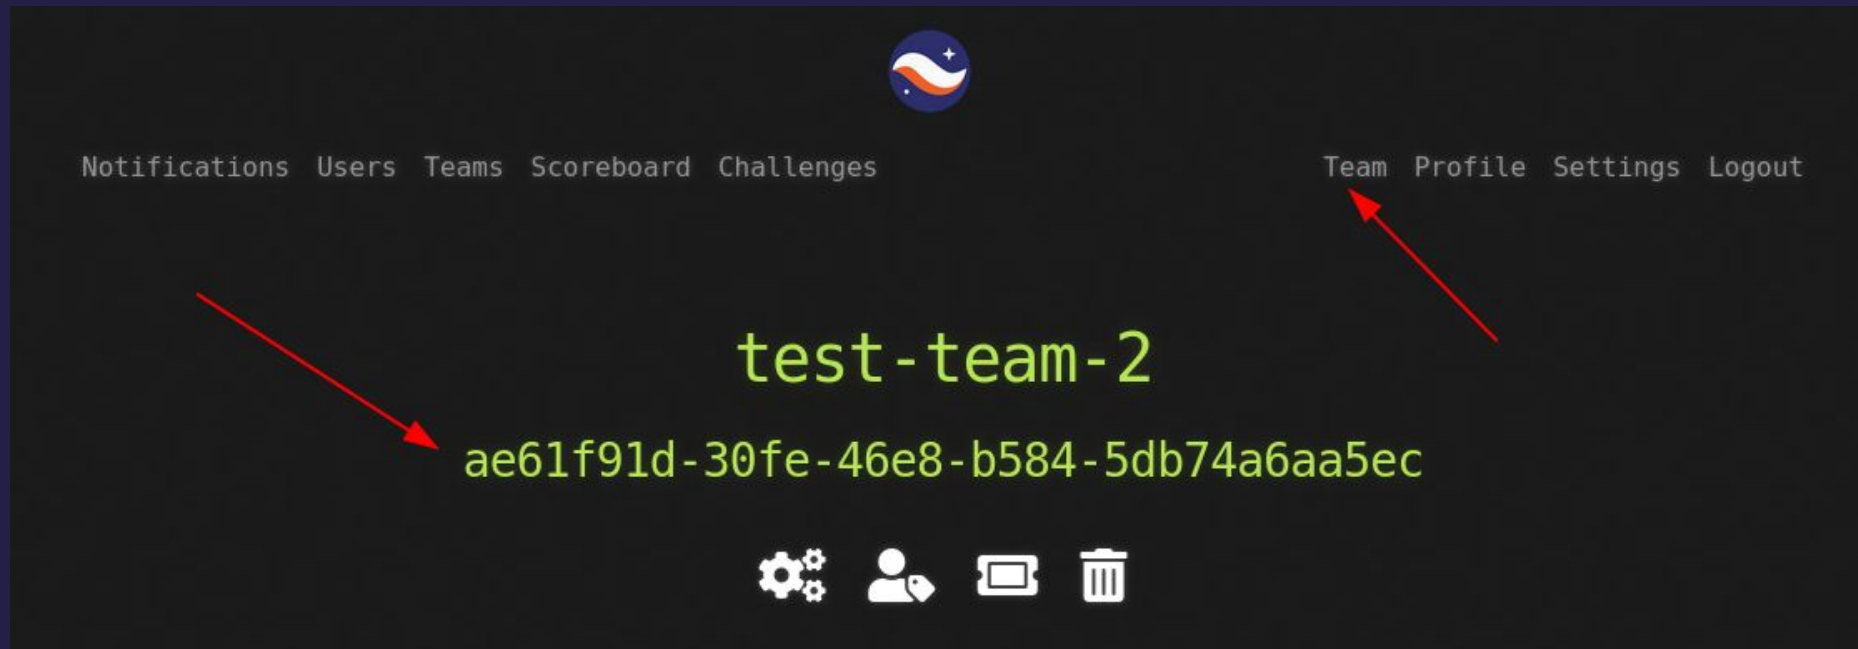

- We are using Cairo 0.10.0
- We are using devnet==0.3.3
- Tested for use with starknet.py==0.5.2a
- [Starknet.py-example](#) [starknet.js-example](#)

To connect to each challenge run

```
nc <IP> <PORT>
```

- Select operation (new/kill instance, get flag)
- Input your team UUID
